SUBJECT - The Municipal grant for the year 1941-1942 for Hindi Prachar work in Bangalore City

---

I, the General Secretary of the Hindi Prachar Sabha, Bangalore, beg leave to place the following facts for kind consideration and approval -

ORIGIN - Hindi Prachar work for the first time began in the year 1926 in this City An association by name Hindi Premi Mandal came into existence This was reshaped as an autonomous body in the year 1935 and henceforth it was called the Bangalore Hindi Prachar Sangha

In the same year an Institution by name the Rashtra Bhasha Prachar Sabha was founded In order to give a legal status and a corporate existence, this was registered under the Mysore Societies Regulation III of 1904

THE HINDI PRACHAR SABHA - It was felt necessary, nay imperative, to have only one Hindi Institution for the entire City and therefore the Bangalore Hindi Prachar Sangha, winding itself up merged into the Rashtra Bhasha Prachar Sabha and the name of the Society was then

changed into the Hindi Prachar Sabha, Bangalore

THE MUNICIPAL GRANT - Since the year 1934-'35 the Bangalore Hindi Prchar Sabha was the recipient of the Municipal grant But in the year 1937-'38 the Municipal Grant was distributed between the two then existing institutions viz , The Bangalore Hindi Prachar Sangha and the Rashtra Bhasha Prachar Sabha Since the year 1938-'39 to 1940-'41 The Hindi Prachar Sabha Bangalore has been the recipient of the Municipal grant

THE MYSORE RIYASAT (STATE) HINDI PRACHAR SAMITHI - This organization took its birth at Mysore on 18 2 1939 at the request of one Mr Hiranmaya, a servant of the Dakshina Bharat Hindi Prachar Sabha, Madras, a foreigner, who complained a lack of control over the Mysore State by the Karnatak Provincial Hindi Prachar Sabha Dharwar Then this Riyasat Samithi, which is merely a Sub-Committee, with no independent powers of its own, worked at Mysore for about a year and a half The Mysore City Municipality did not make any grant to this institution and the work had to be carried on from the initial special grant from the Dakshina Bharat Hindi Prachar Sabha, Madras, of Rs 300/- and this very Mr Hiranmaya was put in charge of the Samithi Being unable to raise any more funds in Mysore on account of the local Sabha in Mysore City taking over the Municipal grant by a resolution of the Riyasat Samithi, its Headquarters was shifted to Bangalore on 3-9-1941 specially with a view to obtain the grant from the Bangalore City Municipality, in whose budget a grant of Rs 1,000/- had been allotted for Hindi Prachar in the City by the Congress Councillors but the Government have only sanctioned Rs 500/- In view of the above circumstances, a professed State Organization has no claim over the Municipal grant With a view to support its claim to call itself as a State

organization though a Sub-Committee, the Riyasat (State) Samithi has encouraged certain individuals to form institutions in this City and is recognising such institutions as its official organs to create an impression that it is a central body As a result of this, the Hindi Sikshana Samithi at Visweswarapuram came into existence, having certain Congress Municipal Councillors as Office bearers, to compete with, and as a rival to, our Organization, the Hindi Prachar Sabha, Bangalore

THE OBJECTIONS to the grant being made to the Riyasat (State) Samithi are as follows -

1 If the funds are granted to the Riyasat Samithi, it could be controlled by an organization outside the State known as the Dakshina Bharat Hindi Prachar Sabha, Madras, through the Karnatak Provincial Hindi Prachar Sabha, Dharwar In either case the control over the funds and properties of this Riyasat Samithi would be vested outside the State

2 Besides, our organization, which is working in the City independently, will be obliged to seek the help of the Riyasat Samithi, otherwise our Sabha cannot obtain any help from the Riyasat Samithi on account of the reason that our Organization declines to submit itself to the jurisdiction of an outside agency This is but legitimate in view of the fact that every year monies to the tune of nearly eight to ten thousand rupees are going out of the State in the form of examination fees, cost of books purchased, membership subscriptions and donations, etc to the above foreign organisation

3 The Riyasat (State) Samithi is disabled from taking the grant from the Municipality because of the reason that they profess to be a State organization and not a local one On what principle could the

felt necessary, nay imperative to have only one Hindi Institution for the entire City and therefore the Bangalore Hindi Prachar Sangha winding itself merged into the Rashtra Bhasha Prachar Sabha, the name of the Society was then changed into the Hindi Prachar Sabha, Bangalore

THE MUNICIPAL GRANT Since the year - 1934-1935 the Bangalore Hindi Prachar Sangha was the recipient of the Municipal grant Rs But in the year 1937-1938 the Municipal Grant was distributed between the two then existing institutions viz , The Bangalore Hindi Prachar Sangha and the Rashtra Bhasha Prachar Sabha Since the year 1938-1939 to 1940-1941 the Hindi Prachar Sabha, Bangalore, has been the recipient of the Municipal grant

THE MYSORE RIYASAT (STATE) HINDI PRACHAR SAMITHI, took its birth at Mysore on 18-2-1939 at the request of one Mr Hiranmaya a servant of the Dakshina Bharat Hindi Prachar Sabha Madras, a foreigner who complained a lack of control over the Mysore State by the Karnatak Provincial Hindi Prachar Sabha, Dharwar Then this Riyasat Samithi, which is merely Sub-Committee , with no independent powers of its own worked at Mysore, for about a year and a half The Mysore City Municipality did not make any grant to this Institution and the work had to be carried on from the initial special grant, from the Dakshina Bharat Hindi Prachar Sabha, Madras, of Rs 300/- and this very Mr Hiranmaya was put in charge of the Samithi Being unable to raise any more -

more funds in Mysore, on account of the local Sabha in Mysore City taking over the Municipal grant, by a resolution the Head-quarters of the Riyasat Samithi was shifted to Bangalore on 3-9-1941, specially with the view to - obtain the grant from the Bangalore City - Municipality in whose budget a grant of - Rs 1,000/- had been allotted for Hindi Prachar in the City by the Congress Councillors, but the government have only sanctioned Rs 500/- In view of the above circumstances a professed State organisation has no claim over the - Municipal grant With a view to support its claim to call itself as a State organisation, though a Sub-Committee, the Riyasat (State) Samithi has encouraged certain individuals to form Institutions in this City and is recognising such institutions as its official organs to create an impression that it is a central body As a result of this, the Hindi Sikshana Prachar Nilaya at Malleswaram and the Hindi - Sikshana Samithi at Viswesvarapuram, came into existence, having certain congress Municipal councillors as office-bearers to compete with and as a rival to our organisation, the Hindi Prachar Sabha, Bangalore

The objections, to the grant being made to the Riyasat (State) Samithi, are as follows -

1 If the funds are granted to the Riyasat Samithi, it could be controlled by an organisation outside the State known as Dakshina - Bharat Hindi Prachar Sabha, Madras, through the Karnatak Provincial Hindi Prachar Sabha, Dharwar In either case the control over the funds and properties of this Riyasat Samithi

Samithi would be vested outside the State

2 Besides, our organisation, which is working in the City independently will be obliged to seek the help of the Riyasat - Samithi, otherwise our Sabha cannot obtain any help from the Riyasat Samithi on account of the reason that the former declines to submit itself to the jurisdiction of an outside power

3 The Riyasat (State) Samithi is disabled from taking the grant from the Municipality because of the reason that they profess to be a State organisation and not a local one On what principle can the Municipal grant be given to an all state organisation in preference to a local one?

4 With a view to support its claim to this grant (for the year 1941-1942) the Riyasat Samithi was started an organisation, which goes by the name of the Bangalore Nagar Hindi Prachar Samithi, on 8-2-1942, to compete with the work done by the Premier organisation, the Hindi Prachar Sabha, Bangalore.

5 Our institution cannot hope to get any part of this money, i e , the Municipal grant, for Hindi Prachar work from the Riyasat Samithi By a memorandum submitted to the benign Government of His Highness the Maharaja of - Mysore, the Riyasat Samithi stated among other things that the working of our Sabha was being conducted according to its directions and - guidance and requested a grant to be made to itself The government sent an assistant - Inspector of Education to make a report on the working of our Sabha on 1-3-1941 The

report I submit, could be perused if the concerned file be looked into Then the Government made a grant of Rs 500/- to the Riyasat Samithi Our Sabha requested the Riyasat Samithi to allot to us a part of the grant The Riyasat Samithi declined to do so on some untenable technical grounds, i e , asking our Sabha to submit to its control and this Sabha is not prepared to be controlled by the Riyasat Samithi, because in doing so this Sabha will be obliged to place themselves under the control of the foreign organisations, viz , the Karnatak Provincial Hindi Prachar Sabha, Dharwar and the Dakshina Bharat Hindi Prachar Sabha Madras to which the Riyasat Samithi itself is subject Experience tells us that the influence wielded by the foreign organisations over the subordinate institution is disadvantageous to the local organisation

From the foregoing facts it can be - stated that the present organisation viz , the Hindi Prachar Sabha, Bangalore, is the premier organisation in Bangalore City, as it is working since a number of years and is the recipient of the Municipal grant till the year 1940-1941 Now the Congress Municipal Councillors have been carried away by the influence of the Riyasat Samithi and are pleased to grant the amount to it, ignoring the lawful claims of our Sabha Therefore, I pray that in view of the facts placed before you, Sir, you will be pleased to order and direct the restoration of the Municipal grant to our Sabha

as heretofore for which act of justice and kindness the Sabha shall ever grateful

Thanking you,

I remain,
Yours Sincerely,

Sir

I have the honor to state that a sum of ₹ 500/- was provided in the current year's budget of the Municipality for Hindi Prachar and this was sanctioned by Government in their Order No L 3556-7/LL 104-41-135 dated 19th March 1942

The Council has voted the above sum to be given to Mysore Piyasat Hindi Prachar Samithi This Samithi is a branch of Dakshina Bharatha Hindi Prachar Sabha, which is the organisation in charge of Hindi Prachar in the whole of South India The Municipal Council felt that this is a responsible organisation, with proper control and supervision Several other organisations also had applied for grants All of them are independent of one another and are not under the control and guidance of any central organisation It would be difficult to assess the work of each one of these organisations for purposes of granting funds Besides, there is no limit to such independent organisations springing up in the City, as is the case now It would not be in the interest of good and disciplined Hindi education, to allow every one of these to teach and work in their own ways Hence the entire sum of ₹ 500/- has been voted to Mysore Piyasat Samithi, which satisfies all these tests To see that the said sum is used for the people of Bangalore alone, the resolution of the Council contains the condition " to be used only in Bangalore City "

The other Hindi organisations can apply to the Piyasat

Samithi and obtain financial help

I request that for the above reasons the resolution of the Council may be approved

Grant

The Mysore Riyasat Hindi Prachar Samithi, took its birth at Mysore on 18-2-1939 at the request of one Mr Hiranmaya, a servant of the Dakshina Bharat Hindi Prachara Sabha, Madras, a foreigner, who complained a lack of control over the Mysore State by the Karnatak Provincial Hindi Prachara Sabha, Dharwar Then this Riyasat Samithi which is ~~nearly~~ merely a sub Committee with no independent powers of its own worked at Mysore for about a year and a half The Mysore City Municipality refused to make any grant to this Institution and the work had to be carried on from the initial, special grant from the Dakshinabarath Hindi Prachara Sabha, Madras, of Rs 300/- for a year and this very Mr Hiranmaya was put in charge of the Samithi, being unable to rise any more funds in Mysore on account of the local organisation in Mysore City, taking over the Municipal grant, by a resolution, the head quarters of the Riyasath Samithi was shifted to Bangalore on 3-9-1941 specially with the view to obtain the grant from the Bangalore City Municipality in whose budget a grant sum of Rs 1000/- had been alloted for Hindi Prachar in the City by the Congress Councillors, but the Government have only sanctioned Rs 500/- In View of the above circumstances a Professed State organisation has no claim over the Municipal grant

With a view to support their claim to this grant, the Riyasat Samithi has encouraged certain individuals to form Institutions in this City and is affiliating such institutions as branches of itself to give an impression that it is a central body As a result of this the Hindi Prachara Nilaya at Malleswaram and the Hindi Sikshana Samithi at Visveswarapuram, came into existence having certain congress Municipal Councillors as Office bearers to compete with and as a rival to our organisation the Hindi Prachara Sabha

The objections, to the grant being made to the Riyasath Samithi, are as follows -

1 If the funds are granted to the Riyasath Samithi it could be controlled by ar organisation situated outside the State known as Dakshina Barath Hindi Prachara Sabha, Madras,

through the Karnatak Provincial Hindi Prachara Sabha, Dharwar In either case the control over the funds and properties of this Samithi would be vested outside the state

2 Besides, our organisation, which is working in the City independently, will be obliged to seek the help of the Riyasat otherwise our Sabha cannot obtain any help from the Riyasat Samithi on account of the reason that the former declines to submit itself to the jurisdiction of an outside power

3 The Riyasat Samithi is disabled from taking a grant from the Municipality, because of the reason that they profess to be a State organisation and not a local one. On what principle can the Municipal grant be given to an All State Organisation in preference to a local one?

4 With a view to support its claims to this grant the Riyasat Riyasat Samithi has started an organisation to compete with the work done by the premier organisation the Hindi Prachara Sabha Bangalore

5 Our institution cannot hope to get any part of this money i e the Municipal grant for Hindi Prachar from the Riyasat Samithi By a memorandum submitted to the Benign Government of Mysore the Riyasath Samithi stated among other things that the working of our Sabha was being conducted according to its direction and guidance and requested a grant to be made to itself The Government sent an assistant Inspector of Education to make a report on the working of our Sabha on 1st March 1941 The report, I submit, could be perused if the concerned file be looked into Then the Government made a grant of Rs. 500/- to the Riyasat Samithi Our Sabha requested the Samithi to allot to us a part of the grant They declined to do so on some untenable technical grounds, i e asking this Sabha to submit to their control

From the foregoing facts it can be stated that the present organisation viz, the Hindi Prachara Sabha, Bangalore, is the

premier one which is working since a number of years the recipient of the Municipal Grant ~~in~~ the year 1940 4' now the congress Municipal Councillors have been carrie' away by the influence of the Riyasath Samithi and are to grant the amount to it ignoring the lawful claims of Institution Therefore ~~we~~ I pray that in view of the facts placed before you, you will be pleased to make a represen tation of the facts to the Government for the recommenda' of our legitimate claim to the grant

Thanking you,

I remain,
Yours sincerely,

G V Ramaiah

Dear Mr Sundararaja Rao,

I write to enclose herein letter No A2 1198/41-42 dated 11-6-1942 The President to whom the letter was sent wanted to modify the draft, deleting the history of the case, so as to persuade Government to pass orders on his recommendation When I did not agree to the modification of the draft, he has sent a separate letter to Government quoting Section 24 (f) for his action I may be permitted to state that the Section is inapplicable to the case as Section 24 is subject to provisions of - Chapter XIV which relates to the appointment of the - Commissioner

In this connection I wish to enclose for the information and orders of Government an application in original received from the General Secretary of the Hindi Prachar Sabha

I may further bring to the notice of Government that the marginally noted 6 gentleman who are Councillors of the Congress party are - understood to be members of the Ryasath Hindi Prachar Samithi or its branches These gentlemen have apparently influenced the other Congress members to propose the whole grant to be given to their Samithi

3	H C Suryanarayan Rao
4	K Ganga Setty
5	B Subbiah
6	Ramlal Thiwari

I think it would be fair to divide the grant between all the institutions or in any case not to deprive the Hindi Prachar Sabha of the grant it was till now ~~it was~~ enjoying

The action of the President in delaying submission of letters addressed by me to Government is opposed to Section 24 (3) of the City Municipalities Act ~~and is a reflection~~

Yours sincerely,
